

# Residential Doors

Welcome friends. Deter criminals.

**From the modest to the lavish, and everything in between, there is a residential door to suit every taste.**

With a wide variety of PVCU panels, glass patterns, and door furniture available, homeowners can really exercise their flair and individuality when choosing a residential door.

Despite the endless possibilities available, a common feature of all residential doors is that they are durable and built to withstand the rough and tumble of everyday life, ensuring that they look as good as new for years to come.

# Residential Doors

## 01 Glass

Elegant patterns made from innovative thermally efficient glass are available on all of our residential doors.

## 02 Security

Multi-point locking, an optional Secured by Design bump and snap resistant cylinder, and an array of glass and panel options make our residential doors both stylish and secure.

## 03 Hinges

High security anti-jimmy hinges can be inward or outward opening and are available in a number of colours and finishes.

## 04 Handles

Lever-lever and lever-pad designs are available on all residential doors in a variety of colours and finishes.

## 05 Threshold

Threshold options are available to meet specific access requirements.

## 06 Reinforcing

Steel reinforcing gives added strength and durability to products that may be exposed to wild and erratic weather.

## 07 Panel Options

From the modest to the lavish, and everything in between, we have a PVCu door panel to suit any taste.

## Colour options:

Cherrywood Rosewood Irish Oak

White Coloured

## Styles to choose from include:
